

Filling Seats With
HOPE

CORPANGELNETWORK.ORG

ABOUT CAN

Corporate Angel Network (CAN) is a 501(c)(3) organization whose mission is to help cancer patients access the best treatment centers in the country by arranging free travel on corporate aircraft. Private jet travel makes it possible for patients, especially those in locations with minimal airline access, to travel to specialized medical centers.

Flight Providers

CAN works closely with over 500 of America's top corporations, including half of the Fortune 100, to match empty seats with patient flight requests. Thanks to the generous support of these companies, CAN has coordinated more than 67,000 flights since its founding in 1981.

“The gratitude we see every time we participate in a CAN flight reminds me how important it is that we all lead with love and step up to help those in need.”

-Jeff McClean, Vice President Global Flight Operations,
Procter & Gamble

PARTNER WITH CAN

There is no cost to join CAN and providing a seat for a patient is simple. All flights must be flown with two pilots and in a pressurized cabin. Here are a few ways your corporation can partner with CAN:

Spare a Seat

Allowing a patient to join you on a scheduled route or to utilize an empty flight is a great way to transport someone in need to or from treatment. CAN flight coordinators work diligently to match your scheduled routes with patient flight requests. Once a match is found, your company is notified to confirm the flight and discuss next steps.

Donate Hours

Consider donating flight hours from fractional or charter companies you work with. CAN uses these to fulfill patient flights that don't match corporate schedules.

Give a Gift

CAN welcomes monetary contributions, bequests and donation of securities in any amount. These funds will assist in providing alternative flight arrangements for patients and other incurred travel expenses.

Spread the Word

Help increase awareness of CAN's mission by displaying marketing collateral in your FBO, airport, flight department or other public area. Contact CAN to find the best solution for your company.

For questions or to register with CAN,
